

# Cardinal Community Connections

Necedah Area School District has established a priority to ensure positive community outreach. Providing adult events bridges school and community, so our citizens feel a connection to their school. The following events have been scheduled for your enjoyment. If you are interested in attending any of the events, please contact Tanya Kotlowski, Superintendent at 608-565-2256 ext. 120. Class size is limited, so first come first serve.

*\*Costs associated with offering these events has been covered by a donor.* For detailed information about our events, please go to our website: <http://www.necedahschools.org> or stop by the school building or library to pick up copies.
