

Middle School Summer School June 6-24, 2016

Attached is a description of summer school classes being offered to middle school students designed to enrich your summer! You may register online at www.necedahschools.org beginning April 13th or use this sheet to mark your choices and return it to the Middle/High School office. You may register for as many classes as you desire. Some classes fill up fast, so don't delay!

New this year --- afternoon and all-day classes! In addition to the morning sessions from 8:00-11:00, we are now offering some other unique opportunities that will be open to middle school students. See the course descriptions for more information on these classes. Please pay special attention to the dates and times of each class. Students that attend the regular morning sessions and stay for an afternoon session, will have a supervised lunch/recess break from 11:00-12:00.

Free meals will be offered to everyone 18 years old and under from June 6 thru July 15 (excluding July 4th). Breakfast will be served from 7:30-8:00 a.m. and lunch will be served from 11:00-11:45 a.m. Anyone wishing to eat lunch must let the office know before 9:00 each morning.

Name _____ **Grade** (as of Sept. 2016) _____

Artist's Workshop

Come and join in on the fun as we recreate some famous paintings from Van Gough and Picasso. We will also create some of our own masterpieces, exploring art through chalk, water colors, old magazines, and much more. Can't wait to see there!

Teacher: Mrs. Saylor

Grade: Entering 4-6

Time: 8:00-9:30

Gymnastics

Do you want to have fun doing a great sport that will increase your flexibility, strength, and gymnastic skills? Then this is the class for you! We'll start out with warm-ups and stretching, and then go on to different stations to learn skills such as forward rolls, handstands, back walkovers, etc., depending on your level of experience. We'll end each class with strength training and relay races

Teacher: Mrs. Carlson

Grade: Entering 4-6

Time: 8:00-9:30

HiP hOp StOP!

Dancing is a great exercise for better physical fitness and stimulating the brain! In this class, students will learn freestyle techniques in hip hop and creative movement. Each week will have a different theme for our music and dance moves . . . beach theme, western theme and student's choice. You will learn how to phrase and count music by measures and songs with beats. We may even accompany our dance enthusiasts with bucket drums and other great percussion instruments. If you want to dance, then this class is your stop!

Teacher: Mrs. Roberts

Grade: Entering 4-6

Time: 9:30-11:00

Football

In this course you will have the opportunity to polish up on your NFL skills. You could be the next Aaron Rodgers! We will play a games such as 7-on-7 and Punt, Pass and Kick. We will also have tournaments between the different groups in the class.

Teacher: Mr. Mach

Grade: Entering 4-8

Time: 8:00-9:30

Let's Get Physical-FUNDamental Training

Time to shape up and ship out! All forms of training will be used to get a great look into FUNDamental training in weightlifting, plyometrics, and agility training, while employing a variety of games and competitions to utilize your new found skills. An emphasis on CORE lifts as well as movement improvement will be used.

Teacher: Mr. Mach

Grade: Entering 4-8

Time: 9:30-11:00

Food for Fun

Do you know your way around the kitchen? Whether you do or not, this class could be for you. Learn useful cooking skills by making tasty recipes that you can then make for your friends and family. There is limited space for this class so sign up early.

Teacher: Ms. Ostrander

Grade: Entering 5-8

Time: 8:00-9:30

Coding: The Language of Electronics

Have you ever wondered how apps are made for your phone? Simply put, code is a tool that lets you write your story with technology. With code you can build a great new app or design the next trend in wearable fashion or even build a robot that can help nurses and doctors save lives. Coding is at the center of our lives today – how we learn, teach, work, play, travel, and share are all made with code.

Teacher: Mr. Beaver

Grade: Entering 5-8

Time: 9:30-11:00

Crime Scene Detectives

You will love learning about how your favorite detectives use science to figure out crimes. You will become super sleuths by using deductive-reasoning skills in collecting and analyzing evidence. Activities will include analyzing fingerprints and body language, fingerprinting techniques, interpreting handwriting samples, and many more activities that will get you to become a crime-solving star!

Teacher: Mrs. Ledvina

Grade: Entering 5-8

Time: 9:30-11:00

Summer School Musical

Come join us for our Summer School Musical! You can get involved in acting, singing, dancing, blocking, lighting, sound, and stage crew. The high school students that sign up will help us with set-building, props, costumes, lighting, sound, etc. There are two mandatory performances, both on Thursday, June 23rd at 9:30 a.m. and 6:30 p.m.

Teachers: Mr. & Mrs. Jackson

Grade: Entering 5-9

Time: 8:00-9:30

Writer's Block Unlocked

Get your author juices flowing in this creative writing course! Write in a variety of genres including poetry, journal, narrative, persuasion, and blog. Mrs. Winters will show you examples, model how to write each genre, and set you free to compose your masterpieces. Perfect your best work and submit for possible publication.

Teacher: Mrs. Winters

Grade: Entering 6-8

Time: 8:00-9:30

Board Games

Bored? Let's go old school and learn some board games to get us off electronics and interacting with others! We will play the classics like cribbage, Apples-to-Apples, Sorry, Scrabble, Yahtzee and Monopoly. You can also bring in your own board games.

Teacher: Mrs. Winters

Grade: Entering 6-8

Time: 9:30-11:00

Peer Tutor

Are you interested in teaching or just helping out younger students? This class teaches you strategies for working with students and provides you with practical experience working in a school setting. See Mrs. Darnell to sign up to help in an elementary class.

Teacher: Mr. Becker

Grade: Entering 6-12

Time: 8-9:30 or 9:30-11:00

Summer Band

30 minute lessons will be scheduled upon request by the student. On Thursday, June 23rd there will be a full band rehearsal from 11:30-12:15. Sign up with Mr. Jackson no later than May 27th.

Teacher: Mr. Don Jackson

Grade: Entering 6-12

Time: As Scheduled

Music & Movement Around the World

Are you interested in travelling and discovering the world? Then this is the class for you. Join us as we explore different countries and learn about their very different cultures through art, music and dance. We will end the session with a big culture party!!

Teacher: Mrs. Roberts

Grade: Entering 4-6

Time: 12:00-2:30 p.m. (Mon.-Thurs.)

Outdoor Adventures

Do you like to go camping and biking? Do you know how to set up a tent or build a campfire? Have you learned how to set up a fishing rod for a certain type of fish? With this class, we are looking to go on a few outdoor adventures. We will ride the Elroy/Sparta bike trail. We will have an overnight camping trip. We will learn how to geocache - use a GPS to find locations and go treasure hunting. We will even build geocaches of our own for around the school campus.

Teacher: Mr. Beaver

Grade: Entering 4-8

Time: 12:00-2:30 p.m. (Mon.-Thurs.)

Girls Can: Build Canoes

This course is open to girls currently in grades 8-12 who are interested in learning more about STEM related careers. Each student will be building their own boat and using technology to make this task easier. Students will use CAD (Computer Aided Design), CAM (Computer Aided Manufacturing), woodworking equipment, hand tools, and epoxy to build a canoe. Canoe float test paddle will occur on the morning of June 11th. **No prior experience is necessary.** Limited space, so sign up early! All materials are supplied via grant funding. See Mr. Semrow if you have any questions.

Teacher: Mr. Semrow

Grade: Entering 8-12

Time: 8:05-3:20 p.m.

Dates: Mon-Fri, June 6-10

*Canoe float test on morning of June 11

The Outdoor Experience: Fur, Fins, & Feathers

You will be learning and engaged in a variety of outdoor activities such as tackle care, lure making, fishing, game calling, hunting strategies, and wildlife conservation practices. You will learn habitat preservation, ethical mannerisms, and general outdoor safety. This course will be hands-on, educational and entertaining! Please see the attached sheet for more details on what we will be doing.

Teacher: Mr. Crispell

Grade: Entering 6-12

Time: 7:00 a.m.-3:00 p.m.

Dates: Mon-Fri, June 13-17

Weight Training

A sensible approach to fundamental weight training. The CORE lifts (bench, squat, power clean, and deadlift) will be covered in detail. A program will be designed for each lifter. The Bigger, Faster, Stronger Program will be utilized for all lifters.

Teachers: Mr. & Mrs. Mach

Grade: Entering 8-12

Time: 3:00-5:00 p.m., June 6-July 29

Basketball Camp

Classes will meet on Tuesday evenings and will focus on skill development as well as playing games.

Teachers: Mr. Saylor & Mr. Lowery

Grade: Entering 4-8

Time: 5:00-6:30 p.m., Mondays, June 7-28

Basketball - Team Fundamentals

Students will participate in 5 on 5 basketball games aimed at understanding and improving team basketball concepts. Both offensive and defensive team concepts will be stressed.

Teacher: Mr. Horbinski

Grade: Entering 6-12

Times: 3:00-4:30 p.m.

Dates: Mon-Thurs, June 6-July 21

Basic Volleyball

This class will transition from basic volleyball to a little more advance level of play. We will work on skill development, contests, and lead up games.

Teacher: Ms. Kubicek

Grade: Entering 6-12

Time: 5:00-7:00 p.m.

Dates: Wednesdays, June 8-July 20

6th Grade Survival

Teachers will share all the tricks to making your 6th grade year successful, including organizational tips and an introduction to the 6th grade curriculum.

Teacher: Mr. Becker

Grade: Entering 6th

Date: August 18

Time: 2:00-6:00 p.m.

Swimming Lessons

Swimming Lessons are provided by certified swimming instructors at the New Lisbon Pool. There is a \$45 fee for the 3-week session. Parents are responsible for transporting their child to and from the Necedah School. A bus will transport the students between Necedah and New Lisbon, leaving our school at 8:25 and returning at 11:15 a.m. During the time that students are not involved in swimming lessons, they will be involved in an organized activity supervised by Necedah School employees. Please indicate your time preference for swimming – either 9:00-10:00 or 10:00-11:00.

Dates: June 27-July 15 (excluding July 4)

Grade: K-8

Time: 8:25-11:15 a.m.

Cost: \$45 – Checks should be made payable to: New Lisbon City Pool and may be turned in on the first day of lessons.
