

Necedah Middle/High School Staff Collective Commitments

Belief/Value - Safety

- We will promote a welcoming and safe environment for students, parents, and staff.

Belief/Value - Responsibility

- We will foster responsibility by setting goals, teaching/evaluating progress, and providing reflective feedback for further development.

Belief/value - Communication

- We will model open and direct communication and work through curriculum and instructional strategies to promote positive skill development.

Belief/Value - Compassion/Mutual Respect and Ethical Conduct

- Through our own actions, we will model compassion, mutual respect, and ethical conduct. We will strive to instill these qualities in our students.

Belief/value - Self-Motivation/Recognition

- We are committed to fostering self-motivation through modeling, recognition, and positive reinforcement of success and efforts/improvements.

Belief/Value - Intervention

- We will provide opportunities for academic/behavioral interventions based on individual student needs, referencing available data.

Belief/Value - Technology

- We will integrate technology to provide students with the skills necessary for our ever-changing world.

Belief/Value - Community

- We will promote and encourage positive, reciprocal community relationships.

Belief/Value - Meaningful Work

- The school community is committed to engaging in meaningful work that leads to student growth and achievement.
