ASP = After-School Program

Hello Parents/Guardians!

It is hard to believe that we are well into the 2nd half of our program year! We have seen wonderful growth from many students and I'm looking forward to being a part of their continual growth through these next few months!

Providing opportunities within student growth is key. We are fortunate that grant and foundation monies that fully support our program also value this concept!

We have a lot in store for our ASP fans. You'll notice adjacent to this column is a full list of dates that we want you to be aware of. Remember the permission form you signed when you enrolled your student covers our regularly scheduled visits off campus such as to the Necedah National Wildlife Refuge as well as the Necedah Community Siegler Memorial Library. Separate permission forms are sent home with your student regarding the Friday Field Trips. We have a couple of those coming up! Stay tuned and we watchful for those permission forms in your student's possession or you can find those forms on our ASP link within the [necedahschools.org](http://necedahschools.org) website.

In addition, it is imperative that we continue to provide the best service possible for your student therefore our staff also have meetings scheduled within these next months to work together in planning our Cardinal After-School Program. We will NOT have program on Thursday, Feb. 15th so that our staff can meet specifically for your student's success!

I thank you in your continual communication involvement to best serving your student's ASP needs.

Your partner in your student's success,

Linda Lowery

Mark Your Calendar!

Tues., Feb. 6 3rd grd  
Visit Necedah National Wildlife Refuge

Wed., Feb. 7 3rd grd (yes, both dates)  
Visit Necedah National Wildlife Refuge
