

## Elementary Summer School 2019

Necedah Elementary is busy planning another exciting Summer School program! Most of these fun-filled educational opportunities will be held **June 10-28** from 8:00 to 11:00 a.m. **Registration begins April 22.** You may register online at [www.necedahschools.org](http://www.necedahschools.org) or you may use the paper registration form attached. All courses are intended for the grade your child will be entering next fall. If you have any questions regarding the registration process please contact the office.

**All registrations should be in by May 13**, in order for us to make determinations on which classes will run. Remember, some of these classes fill up quickly, so the earlier you register, the better chance your child will have of getting into their first choice.

**Back again by popular demand --- afternoon classes!** We are offering even more fun and enriching classes in the afternoons that will be open to all students entering grades 1-5. Please see the course descriptions for more information on these classes. Afternoon classes will be held Mondays through Thursdays, June 10-27. There will be no Friday afternoon classes. Students may sign up for both morning and afternoon, morning only, or afternoon only classes, depending on what works best for your schedule. Students that stay for the afternoon classes will have lunch from 11:00-11:30, a supervised recess from 11:30-12:00, and then to their afternoon session from 12:00-2:30.

The **Summer Reading and Math Program** will be offered in the afternoons for students entering grades 1-6. Classroom teachers will be contacting parents of those students who are in need of continued support in Reading and/or Math. These classes will be held Monday-Thursday, June 10-27. There will be no Friday afternoon classes. If you have any questions, please contact your child's teacher.

**T-Ball and Ragball** will be offered through our summer school program for students entering Kindergarten through 3<sup>rd</sup> grade. Classes will run on Mondays and Wednesdays, **June 10-July 17** from 5:00-6:30 p.m.

**Swimming Lessons** at the New Lisbon Pool will be offered from **July 1-19** (excluding July 4). A school bus will provide transportation between Necedah and New Lisbon. The cost will be \$45.00 for the 3-week session, payable to the New Lisbon City Pool. We must have at least 30 students in order for the New Lisbon Pool to run two sessions (9:00-10:00 and 10:00-11:00), otherwise everyone will be in the 9:00-10:00 session. The deadline to make that determination is May 13. Please sign up early!!

Our school will again be participating in the **Summer Food Service Program for Children.** Free meals will be offered to all children 18 years old and under. Serving hours for June 10-27 will be: Breakfast from 7:30-8:15 and Lunch from 10:45-11:45. Serving hours for July 1-19 (excluding July 4) will be slightly shorter, with Breakfast from 7:45-8:15 and Lunch from 11:15-11:45. Anyone wishing to eat lunch must let the office know before 9:00 each morning. If your child is attending summer school or participating in the NYBP ball program, please instruct them whether to order lunch or not when attendance is taken, so enough food is prepared each day. Children not attending summer school are also welcome to eat here, we just ask that you call the elementary office at 565-2256, ext. 111 before 9:00 a.m. each day so the kitchen staff knows how many to plan for.

## Summer School T-Ball/Ragball

June 10 – July 17, 2019

5:00-6:30 p.m.

The summer months are all about enjoying the clean air and sunshine while playing ball in the yard! There is no better way to start off your baseball or softball career than to play either T-Ball or Ragball.

Owning a mitt is preferred, but not required. Baseball cleats are not required to play. There is no fee to participate. All participants will have the option to purchase a T-shirt for \$6.00 if they choose.

Schedule: Every Monday and Wednesday evening from June 10-July 17 from 5:00-6:30 p.m. Parents are welcome to stay and watch!

T-Ball Entering Kindergarten and Grade 1 (ages 5-6)

Players will learn the basic skills necessary to start learning to play ball. Throwing and catching the ball are key fundamentals, as is learning to bat off of a batting tee. Other skills will be taught over the course of the summer in order to make this a great learning experience.

Ragball Entering Grade 2 and 3 (ages 7-8)

This program builds upon the skills learned at younger ages. Besides throwing and catching, these young athletes will learn how to field ground balls and catch fly balls. Batting will be conducted from a coach pitching soft toss.

## COURSE DESCRIPTIONS

### MORNING CLASSES, JUNE 10-28:

#### **Coding: The Language of Electronics**

Have you ever wondered how apps are made for your phone? Simply put, code is a tool that lets you write your story with technology. With code you can build a great new app or design the next trend in wearable fashion or even build a robot that can help nurses and doctors save lives. Coding is at the center of our lives today – how we learn, teach, work, play, travel, and share are all made with code.

Teacher: Mr. Beaver

Grade: Entering 5-8

Time: 8:00-9:30

#### **Computer Kids**

This class is fun for kids who love computer games and stories. Here's your chance to play and learn on the computer every morning for three weeks!

Teacher: Ms. Gross

Grade: Entering 2-5

Time: 8:00-9:30 or 9:30-11:00

#### **Cooking in the Kitchen with Books**

Have you ever read a story that makes you hungry or eager to cook? This is the class for you! Students will have the opportunity to share exciting children's books and prepare related "tasty treats," and then create your very own cookbook. You will be practicing math, reading, and writing skills, as well as developing good work habits in the kitchen.

Teacher: Mrs. Mach

Grade: Entering 2-5

Time: 8:00-9:30 or 9:30-11:00

#### **Exploring Art**

Come share in the fun of exploring different art materials and experimenting with new techniques. In this class you will work on projects including: painting on canvas panels, paper mache sculptures, and printmaking. Art from the heart is the best way to play!

Teacher: Mrs. Lessard

Grade: Entering 2-6

Time: 8:00-9:30

#### **Football**

In this course you will have the opportunity to polish up on your NFL skills. You too can be the next Aaron Rodgers! We will play a variety of games such as 7-on-7 and Punt, Pass and Kick. We will also have tournaments between the different groups in the class.

Teacher: Mr. Mach

Grade: Entering 4-8

Time: 9:30-11:00

## In Search of Heroes

This summer school reading session will combine Rick Riordan's *The Lightning Thief* from the Percy Jackson series with classical mythology to create a high-interest, humorous introduction to the middle school years while also providing students with a foundation in the Greek gods and goddesses. Students will read books and do activities that will be fun and engaging.

Teacher: Mr. Beaver

Grade: Entering 4-7

Time: 9:30-11:00

## Jump Start First Grade

Let's go camping! The classroom will transform into an activity-based campground. We will pitch tents and eat s'mores! This class offers an exciting experience for children entering first grade. Children will have opportunities to strengthen and enrich foundational literacy and math skills and concepts through a variety of fun and exciting "outdoorsy-themed" activities.

Teachers: Ms. Harvey and Mrs. Saylor

Grade: Entering 1<sup>st</sup>

Time: 8:00-11:00

## Jump Start Kindergarten

This class will provide experiences to help students have a positive start to kindergarten in the fall. They will have the opportunity to interact with future classmates through various activities. We will be working on readiness skills through music, games, storytelling, and math.

Teachers: Mrs. Fischbach & Mrs. Mattke

Grade: Entering Kindergarten

Time: 8:00-11:00

## Let's Get Ready for School

This class is designed for students who will be entering 4 year-old Kindergarten this fall. It will be an introduction to skills that will help prepare your child for starting school for the first time! We will be completing many hands-on activities that incorporate art, music, science, math, story time and socialization.

Teachers: Mrs. Reichel & Mrs. Bartels

Grade: Entering 4K

Time: 8:00-11:00

## Math Magic and Mysteries

Experience the fun of math as never before, with hands-on activities, skill boosters, adventurous journeys, puzzles, games, mysteries to solve, math tricks to fool others with, and many other fun activities - - including a daily surprise!

Teacher: Mrs. Rohde

Grade: Entering 2-6

Time: 8:00-9:30 or 9:30-11:00

## Summer School Musical

Yo Ho, all Ye Mateys!! Come join us for our Summer School Musical, "Pirates!" Whether you would like to act on stage or help back stage, we would be glad to have you onboard! There will be lines, songs, and dances to learn and plenty of laughter and fun to be had! There are two mandatory performances, both on Thursday, June 27th. The first is a dress rehearsal at 9:30 a.m. (for summer school classes to attend) and our REAL show at 6:30 p.m.

Teachers: Mr. and Mrs. Jackson

Grade: Entering 5-9

Time: 8:00-9:30

## Summer School Survivor

You won't have to eat live insects or sleep in the jungle with tigers and snakes, but you can participate in fun challenges! Be a member of a tribe and learn to work together as a team to win immunity. There will be competitions and games to test your strength and endurance. There will also be interesting things to eat to test your bravery. And of course, you'll get the chance to play some dodgeball!

Teacher: Ms. Korslin

Grade: Entering 2-5

Time: 8:00-9:30 or 9:30-11:00

## Wild and Wacky Science

Join us for fun experiments that you can eat, play with, or explore. We will be making everything from green slime, bouncy balls, and silly putty to butter, pretzels, and gelatin gumdrops. We will also be doing some crafty experiments with plastic bottles such as making a lava lamp and an interactive volcano. Join me for a wild, wacky, and fun science class! *\*This class is open to any student who has not already taken it in a previous summer.*

Teacher: Mrs. Ledvina

Grade: Entering 2-5

Time: 8:00-9:30 or 9:30-11:00

## AFTERNOON CLASSES, JUNE 10-27:

## Create, Learn and Grow

This class will dive deep into Project Based Learning. Guiding kids to embrace their creative side while developing collaboration and the want to learn more. Science, Nature, Writing and learning will come together within all the projects we do. Come join our class to embrace this hands on learning experience!

Teachers: Mrs. Fischbach & Mrs. Mattke

Grade: Entering 1<sup>st</sup>

Time: 12:00-2:30 p.m. (Monday-Thursday)

## Safari Adventures

In this class we will go on a jungle safari and discover what it's like to be a cheetah, a giraffe, or even a zebra! This class will feature many hands-on activities that will make your child more aware of life in the jungle!

Teachers: Ms. Harvey & Mrs. Saylor

Grade: Entering 2-3

Time: 12:00-2:30 p.m. (Monday-Thursday)

## STEM Class

Join us this summer as we engage in real world, hands on investigations! STEM incorporates science, technology, engineering and mathematics. Students will learn to work as team members while planning investigations, conducting experiments and analyzing data. If building fast roller coasters and shelters to withstand natural disasters sounds fun, then STEM class is the place to be!

Teachers: Ms. Korslin & Mrs. Poulter

Grade: Entering 4-5

Time: 12:00-2:30 p.m. (Monday-Thursday)

### EVENING CLASSES:

### Basketball Camp

Classes will meet on Tuesday evenings and will focus on skill development as well as playing games.

Dates: June 11-25

Grade: Entering 3-5

Time: 5:00-6:30 p.m.

### T-Ball/Ragball

Classes will meet on Monday and Wednesday evenings. T-Ball focuses on basic throwing and catching skills and learning to bat off of a batting tee. Ragball will include those skills, plus how to field ground balls and catch fly balls. Batting will be conducted from a coach pitching soft toss.

Dates: June 10-July 17

Grade: Entering K-3

Time: 5:00-6:30 p.m.

### MORNINGS, MON-FRI., JULY 1-19:

### Swimming Lessons

Swimming Lessons are provided by certified swimming instructors at the New Lisbon Pool. Parents are responsible for transporting their child to and from the Necedah School. A bus will transport the students between Necedah and New Lisbon, leaving our school at 8:25 and returning at 11:15 a.m. Please indicate which session you would like your child to participate in. During the time that students are not involved in swimming lessons, they will be involved in an organized activity supervised by Necedah School employees. *\*We must have at least 30 students signed up in order for the New Lisbon Pool to run two sessions (9:00-10:00 and 10:00-11:00), otherwise everyone will be in the 9:00-10:00 session. The deadline to make that determination is May 13. Please sign up early!!*

Dates: July 1-19 (excluding July 4)

Grade: Entering K-8

Time: 8:25-11:15 a.m.

**Cost: \$45 - Checks should be made payable to: New Lisbon City Pool and may be turned in on the first day of lessons.**
