

# Middle School Summer School 2019

Attached is a description of summer school classes being offered to middle school students designed to enrich your summer! **Registration begins April 22.** You may register online at [www.necedahschools.org](http://www.necedahschools.org) or you may use the paper registration form attached. If you have any questions regarding the registration process please contact the Middle/High School Office. You may register for as many classes as you desire. **All registrations should be in by May 13.** Some classes fill up fast, so don't delay!

We are offering a variety of opportunities to middle school students. See the course descriptions on the next page for more information on these classes. Please pay special attention to the dates and times of each class.

**Free** meals will be offered to everyone 18 years old and under. Serving hours for June 10-28 will be: Breakfast from 7:30-8:15 and Lunch from 10:45-11:45. Serving hours for July 1-19 (excluding July 4) will be slightly shorter, with Breakfast from 7:45-8:15 and Lunch from 11:15-11:45. Anyone wishing to eat lunch must let the office know before 9:00 each morning.

Name \_\_\_\_\_ Grade (as of Sept. 2019) \_\_\_\_\_

Session 2 10:00-11:00 \_\_\_\_\_

## COURSE DESCRIPTIONS

### **Basketball Camp**

This class will focus on competitive 3-on-3 games and skill development.

Teacher: Mr. Saylor                      Grade: 6-8

### **Basketball - Team Fundamentals**

Students will participate in 5-on-5 basketball games aimed at understanding and improving team basketball concepts. Both offensive and defensive team concepts will be stressed.

Teacher: Mr. Saylor                      Grade: 7-12

### **Coding: The Language of Electronics**

Have you ever wondered how apps are made for your phone? Simply put, code is a tool that lets you write your story with technology. With code you can build a great new app or design the next trend in wearable fashion or even build a robot that can help nurses and doctors save lives. Coding is at the center of our lives today – how we learn, teach, work, play, travel, and share are all made with code.

Teacher: Mr. Beaver                      Grade: 5-8

### **Drawing/Mixed Media**

Learn basic drawing techniques, while using a variety of wet and dry materials such as pencil, charcoal, paint and ink.

Experiment and explore your creativity!

Teacher: Mrs. Lessard                      Grade: 6-12

### **Exploring Art**

Come share in the fun of exploring different art materials and experimenting with new techniques. In this class you will work on projects including: painting on canvas panels, paper mache sculptures, and printmaking. Art from the heart is the best way to play!

Teacher: Mrs. Lessard                      Grade: 2-6

### **Football**

In this course you will have the opportunity to polish up on your NFL skills. You could be the next Aaron Rodgers! We will play games such as 7-on-7, and Punt, Pass and Kick. We will also have tournaments between the different groups in the class.

Teacher: Mr. Mach                      Grade: 4-8

### **Garden and Get Fit!**

There is nothing better than being outside and playing in the dirt. Join us for gardening this summer in the school garden (Cardinal Retreat) and in the community at Oak Grove Assisted Living Center. You will be helping with planting, weeding, and maintaining garden beds. When our gardening is complete we will do a little walking to improve your overall wellness. Wear clothes that can get a little dirty and can also be good for walking!

Teachers: Mrs. Moore & Mrs. Sheley                      Grade: 6-12

### **In Search of Heroes**

This summer school reading session will combine Rick Riordan's *The Lightning Thief* from the Percy Jackson series with classical mythology to create a high-interest, humorous introduction to the middle school years while also providing students with a foundation in the Greek gods and goddesses. Students will read books and do activities that will be fun and engaging.

Teacher: Mr. Beaver                      Grade: 4-7

### **Makerspace**

Join us in *the place* for making, collaborating, learning, problem-solving and sharing -- the Makerspace! Get hands-on experiences this summer in a variety of projects. We will be rediscovering the future in the past, by exploring the Sci Fi genre of movies that were alive and well dating back to the 1950's. You'll even have the opportunity to direct and create your own 50's style classic movie using the Green Screen. Students with curiosity and imagination wanted!

Teacher: Mr. Mach                      Grade: Entering 6-8

### **Outdoor Adventures**

Do you like to go camping and biking? Do you know how to set up a tent or build a campfire? Have you learned how to set up a fishing rod for a certain type of fish? With this class, we are looking to go on a few outdoor adventures. We will ride the Elroy/Sparta bike trail. We will have an overnight camping trip. We will learn how to geocache - use a GPS to find locations and go treasure hunting. We will even build geocaches of our own for around the school campus.

Teacher: Mr. Beaver                      Grade: Entering 6-8

### **Peer Tutor**

Are you interested in teaching or just helping out younger students? This class teaches you strategies for working with students and provides you with practical experience working in a school setting. See Mrs. Darnell to sign up to help in an elementary class for the 8:00-9:30 session and/or the 9:30-11:00 session.

Teacher: Mr. Becker                      Grade: 6-12

### **Run for Fun!**

Have some fun playing games that involve running, while building up endurance and staying healthy without any high stakes pressure. Remember to bring your water bottle!

Teacher: Mrs. Lessard                      Grade: 7-12

### **Summer Band**

30 minute lessons will be scheduled upon request by the student. On Thursday, June 27th there will be a full band rehearsal from 11:30-12:15. Schedule your lesson with Mr. Jackson no later than May 24<sup>th</sup>.

Teacher: Mr. Jackson                      Grade: 6

### **Summer School Musical**

Yo Ho, all Ye Mateys!! Come join us for our Summer School Musical, "Pirates!" Whether you would like to act on stage or help back stage, we would be glad to have you onboard! There will be lines, songs, and dances to learn and plenty of laughter and fun to be had! There are two mandatory performances, both on Thursday, June 27th. The first is a dress rehearsal at 9:30 a.m. (for summer school classes to attend) and our REAL show at 6:30 p.m.

Teachers: Mr. and Mrs. Jackson                      Grade: Entering 5-9

### **Swimming Lessons**

Swimming Lessons are provided by certified swimming instructors at the New Lisbon Pool. Parents are responsible for transporting their child to and from the Necedah School. A bus will transport the students between Necedah and New Lisbon, leaving our school at 8:25 and returning at 11:15 a.m. Please indicate which session you would like your child to participate in. During the time that students are not involved in swimming lessons, they will be involved in an organized activity supervised by Necedah School employees. *\*We must have at least 30 students signed up in order for the New Lisbon Pool to run two sessions (9:00-10:00 and 10:00-11:00), otherwise everyone will be in the 9:00-10:00 session. The deadline to make that determination is May 13. Please sign up early!!*

Dates: July 1-19 (excluding July 4)                      Grade: K-8

**Cost: \$45 - Checks should be made payable to: New Lisbon City Pool and may be turned in on the first day of lessons.**

### **Volleyball Fundamentals**

This class will cover basic volleyball fundamentals. We will work on skill development, contests, and lead up games.

Teacher: Ms. Kubicek                      Grade: 6-9

### **Weight Training**

This class will incorporate a sensible approach to fundamental weight training. All levels will be covered from beginners to advanced lifters. The CORE lifts (bench, squat, power clean and dead lift) will be covered in great detail. A program will be designed for each lifter.

Teachers: Mr. & Mrs. Mach                      Grade: 8-12
